

Find your perfect glove size here

To get the correct fit...

1. Place your right hand over the hand printed on this page and align the thumb and forefinger.
2. The red dot ● should be at the bottom of the V created by your thumb and forefinger.
3. Find your glove size on the scale to the right of your hand.

Important!

Place a credit card in this box to make sure your print-out is the correct size. You can also measure the ruler guides below.
